Four Arrested During Street Racing Takeover

Rialto, Calif. – On July 15th Rialto Police Department hosted an OTS Street Racing Detail from 3 p.m. to 11 p.m. The detail focused on enforcing violations associated with street racing, reckless driving, and illegal modifications. The detail resulted in four arrests for CVC 23109-Exhibition of Speed, and one for CVC 2800.2(a)-Felony Evading. In addition four vehicles were impounded and 20 citations issued.

"Street racing is a deadly game that trades lives for adrenaline. The consequences are far from momentary. It's a road paved with tragedy, where reckless decisions take innocent lives, shattering families and communities forever." Chief Mark P. Kling said. "Remember, the real race should always be towards responsibility, safety, and respect for others on the streets."

Drivers charged with reckless driving will have their vehicles seized for 30 days and face an average of \$4,000 in fines and penalties, as well as a suspended license.

Rialto Police Department will be holding a series of Street Racing enforcement patrols throughout the year to keep our roadways safe.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
